What items should I bring?

Books, toys, clothes (baby, kids, women's, men's), costumes, shoes that still have some life left in them, baby gear, arts & crafts supplies, holiday decorations, jewelry, sandbox treasures, home decor, kitchen goods, baskets, sporting goods & outdoor play, gardening supplies, etc.

What items should I NOT bring?

Bedding & mattresses, electronics, personal care products, children's safety equipment (carseats, helmets, etc.), toxic household items, appliances containing refrigerants, items that are stained, excessively worn, or dirty.

How should I package my donations?

Bring your donations in any way that is convenient: boxes, grocery bags, bins, trash bags, or even armloads! We will also have boxes and bags on-site during the drop-off to re-package your donations if you prefer to keep your bins or bags.

How does a Donation Drive Work?

It is quick and simple! Drive up to the school gate and volunteers will be there to assist in unloading your donations and provide you with a donation slip. It should only take a few minutes!

There will also be warm drinks & sweet treats!
